Getting into Teaching with the City Learning Trust

The City Learning Trust is a Multi Academy Trust founded in 2014. The CLT has ten academies in membership covering approximately six thousand students aged three to nineteen. Our academies include Clarice Cliff Primary, Glebe Academy, Haywood Academy, Haywood Sixth Form Academy, Holden Lane Primary, Mill Hill Primary, Smallthorne Primary, St Peter's Academy, The Priory Church of England Primary and Trentham Academy.

We offer a variety of secondary school direct subject places with Staffordshire University, Manchester Metropolitan University and the West Midlands Consortium. Subjects include: English, Mathematics, Science, Modern Foreign Languages, Psychology, Religious Studies, Art and Design, Business Studies, Computing, Geography, Physical Education and Dance. In addition, we have numerous primary places with North Staffordshire Teacher Education.

We provide high quality training that ensures trainees are fully prepared for life in the classroom and a career in education. Working closely with the partner universities, we ensure that our Schools Direct colleagues gain their teaching qualification (QTS) and a Postgraduate Certificate in Education (PGCE). If you choose to apply to the CLT and are successful, you are guaranteed placements at academies within our Multi Academy Trust.

Whilst on placement we will support you in offering children a broad and balanced curriculum, one that both engages and excites them. You will be encouraged to advance children's knowledge, understanding, skills, attributes and aspirations so that they benefit from the quality learning opportunities that you create in partnership with your class-teachers and mentors.

It is a privilege for us to be working in a diverse region with exceptional teachers. We respect the cultures and backgrounds of the young people in our settings, and we enable you to take seriously, issues of equality and social justice. In particular, we value the transformative role that a high quality educational experience has in enabling young people to become informed, empowered and engaged.

Applications should be made through the UCAS Teacher Training website, but please do not hesitate to contact The City Learning Trust if you wish to enquire about any of the training courses. Please contact Adele Mills (Senior Executive Leader) at amills@citylearningtrust.org for further information.

[UCAS ITT application system](#) will be available from **26 October 2017**
