Employee Code of Conduct 2019 - 2020

28 August 2019

Employee Professional Code of Conduct

The following code of conduct has been adopted by the board of trustees to enable it to discharge its functions under the Academy Staffing (England) Regulations 2009 (the "Regulations") in relation to its duty under Regulation 7, keeping children safe in education and working together to safeguard children, to establish procedures for the regulation of the conduct of the staff at the Academy.

This code of conduct applies to all employees in the Trust. All Academies are entitled to demand a level of conduct from employees which is of the highest standard. In the case of teachers, it applies in conjunction with Part B of the Teachers' Standards.

A code of conduct is promoted with the aim of creating a cooperative workforce, where staff work as a team, have high values and respect each other; thus creating a strong morale and sense of commitment leading to increased productivity.

It is therefore ensured that all practitioners:

- have a clear understanding of what constitutes misuse.
- know how to minimise risk.
- avoid putting themselves into compromising situations which could be misinterpreted and lead to possible allegations.
- understand the need for professional boundaries and clear guidance regarding acceptable use.
- are responsible for self-moderation of their own behaviours.
- are aware of the importance of reporting concerns promptly.

It is fully recognised that studies consistently indicate that imposing rigid regulations and/or 'bans' on the actions of others can be counterproductive, leading to a culture of suspicion, uncertainty and secrecy.

The imposition of rigorous, inflexible rules is therefore avoided, unless the potential risks of not enforcing them far out-weigh the benefits.

As an employee, you must not put yourself in a position where duty and private interests conflict and you must not make use of your employment to further your private interests.

The Code consists of:

2) General Code of Conduct

Application and Intent

You will be expected to act in accordance with the Code. The Code has been designed so that you are not left in any doubt as to what is acceptable or unacceptable behaviour. The Code of Conduct places rules and regulations on certain activities and any breach of these prohibitions may lead to disciplinary action.

Safeguarding Pupils

Staff have a duty to safeguard pupils/students from:

- physical abuse
- sexual abuse
- emotional abuse
- neglect

The duty to safeguard pupils/students includes the duty to report concerns about a pupil/student to the Academy's Designated Senior Person (DSP) for Child Protection. The Academy's DSP can be found in their Child Protection Policy.

Staff are provided with access to personal copies of the Academy's Safeguarding and Child Protection Policy and Whistleblowing Procedure and staff must be familiar with these documents. Copies are available from each Academy's staff room.

Personal Interest

You must not in your official capacity:

- Allow your personal interests to conflict with the Trust's requirements.
- Use your position improperly to confer an advantage or disadvantage on any person.

You must:

- Not disclose information given to you in confidence, or information acquired which is of a confidential nature, without the consent of a person authorised to give it.
- Not prevent another person from gaining access to information to which that person is entitled by law.
- Ensure that your relationships with Pupils, Parents, Governors, Staff and any other people with whom you may come into contact with in the course of your duties are professional at all times.

Gifts and hospitality

The Trust seeks to maintain the highest standards of conduct and probity in its business.

The acceptance of gifts and/or hospitality by employees must be treated with extreme caution. No offer of a gift or inducement, whether made at specific occasions (e.g. at Christmas) or casually, should be accepted when the gift is made by, or indirectly by, a person, firm or organisation which, to the knowledge of the employee, has or seeks to do business of any kind with the Trust which maintains the Academy or to have an interest in its decisions.

The receipt of minor articles, often by way of trade advertisements, which will be used on the Academy's business (e.g. diaries, calendars, office requisites, etc., which are customarily distributed at Christmas and, occasionally, at other times) is acceptable.

If you are in any doubt, you should seek guidance from your Principal/Headteacher before accepting any gifts or hospitality offered.

Employees should also refrain from making any gifts to external organisations or to the employees of organisations which provide services to the Trust or which are potential providers of such services.

Sponsorship

Where the Trust, or parties to the Trust, sponsors an event or service, you, or any partner, spouse or relative must not benefit from the sponsorship.

You must seek guidance from your manager if you are involved with any event or service that the Academy proposes to sponsor.

General Confidentiality

You may, in the course of your duties, obtain information which is confidential.

You must not:

- Pass on any information received or obtained through your employment to anyone who is not entitled to have that information.
- Use information for personal advantage.

You must:

- Work within the requirements of the General Data Protection Regulations 2018 and the Freedom of Information Act 2000.
- Observe the Academy's procedures for the release of personal information held about other employees or members of the public.
- You must not misuse your position by seeking information which you do not need to know to carry out your duties.
- Where staff have access to confidential information about pupils/students or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil/student.

All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil/student is bullied by another pupil/student (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate Academy procedure. It must not be discussed outside the Academy, including with the pupil's/student's parent or carer, nor with colleagues in the Academy except with a senior member of staff with the appropriate role and authority to deal with the matter.

However, staff have an obligation to share with their manager or the Academy's Designated Senior Person any information which gives rise to concern about the safety or welfare of a pupil/student. Staff must **never** promise a pupil/student that they will not act on information that they are told by the pupil/student.

Examples of abuse of confidence would include:

- Ill-considered gossip whether with colleagues or outsiders which may be misconstrued and re-quoted.
- Exploitation of confidential information for personal gain.
- Premature and/or unauthorised disclosure to other parties of policy proposals, with the object of generating adverse publicity e.g. to the press, interest groups.

Dealing with the Academy's Money

You must:

- Ensure that public funds are used in a responsible and lawful manner.
- Strive to ensure value for money to the Academy and to avoid legal challenge to the Academy.
- Ensure compliance with the Academies Financial Handbook and Financial Regulations Manual.
- Maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of Academy property and facilities.

Criminal Charges and Convictions

In accordance with the Independent Academy Standards Regulations, the Trust requires all applicants to disclose criminal convictions, whether committed in the UK or elsewhere.

You must:

- Notify the Academy in writing if charged with any criminal offence or if convicted of any criminal offence, this includes cautions.
- If charged with an offence, advise the Academy as your employer immediately after you are charged (i.e. next working day).
- It should be noted that the term 'conviction' includes a finding of guilt, regardless of whether or not a conviction is recorded. Failure to notify the Academy in either case will constitute grounds for disciplinary action.
- Undergo Disqualification by Association training.
- Declare any driver's convictions if you drive the Academy minibus.

Position of Trust

'Position of Trust' Offence: Sexual Offences Act (2003):

Staff are to be aware of the following: **Abuse of position of trust: sexual activity with a child.**

A person aged 18 or over (A) commits an offence if –

- (a) he/she intentionally touches another person (B),
- (b) the touching is sexual,
- (c) A is in a position of trust in relation to B,
- (d) where subsection (2) applies, A knows or could reasonably be expected to know of the circumstances by virtue of which he/she is in a position of trust in relation to B, and,
- (e) either –
 - i. B is under 18 and A does not reasonably believe that B is 18 or over, or,

In some instances, your contract of employment may prevent you from undertaking other employment without the written permission of your manager. This will be stated within your individual contract.

It is important that you ensure that any additional employment does not conflict with the interests of the Academy or affect your ability and credibility to do your job.

Where you have more than one job, both the Academy and your other employer(s) are responsible for ensuring that the 48 hour week is complied with. You should therefore ensure that you inform your Principal/ Headteacher about any work you undertake for other employer(s). (You may opt to work more than 48 hours per week and should you wish to do so, you will need to complete the form 'Working Time Regulations Opt Out Agreement' under Supporting Documents and submit it to your Principal or Headteacher

You must ensure that Academy time and equipment are not utilised in connection with any other employment.

If in doubt, the best thing to do is to discuss the circumstances with your manager.

- Ensure that such appointments are made on the basis of the candidate's ability to do the job.
- Ensure that your personal preferences should not influence judgements made.
- Declare your interest where you are related to an applicant or have a close personal relationship outside work with him/her.
- Safer Recruitment.
 - o Ensure that at least 1 panel member has completed safer recruitment training.

Any complaint of discrimination, harassment, or victimisation or complaints made on the grounds of any of the protected characteristics listed above, will be taken seriously and will be the subject of a thorough investigation.

- Staff must not consume or be under the influence of alcohol, use illicit drugs or other illegal substances while at work.

- If taking medication you must seek the advice of your doctor to ensure that such medication will not impede your ability to do the job (e.g. operate machinery).
- Inform your Principal/Headteacher of any situations where a risk to yourself or others may arise because of this.
- If you are a Principal/Headteacher consider the options available for assisting employees who are required to take legally prescribed drugs and whose levels of performance has been impaired. In these circumstances a risk assessment should be undertaken.
- Any stress related problems should be referred to HR for HR and Occupational Health advice should be sought immediately.

Health and Safety

You have a duty to take reasonable care of yourself and to cooperate with management under the Health and Safety at Work Act 1974. These responsibilities are identified in the Academy's Health and Safety policy.

You are required to act at all times in accordance with this policy and generally to act in such a way to ensure your own safety and that of others.

Any action which potentially puts at risk the health and/or safety of yourself or others will be viewed seriously and may result in disciplinary action being taken.

The children of staff (whether they attend the Academy or not), are not permitted to be in the building outside of normal Academy hours without the agreement of the Principal/Headteacher.

Attendance

Your contract of employment contains the main terms and conditions of your employment with the Trust.

It is expected that you are available for work during these hours and take an unpaid lunch break. You must record your attendance in accordance with your workplace time recording system.

Each Academy is a non-smoking organisation.

You are not permitted to smoke in any of the Academy's offices, or any other building or grounds owned or occupied by the Academy, at any time.

An agreement of trust is therefore promoted regarding the carrying and use of mobile phones within the setting environment, which is agreed to by all practitioners.

- Employees are not permitted to make/receive calls/texts during work time where pupils are present. (excluding break times)
- Staff should ensure that mobiles are on silent at all times whilst in classrooms with children and in staffrooms. They should not be left on display.
- Staff are not permitted to use recording equipment on their mobile phones.
- Staff are not permitted to use their mobile phone to engage with social media sites whilst they are responsible for the supervision children.
- Staff must not record anything related to the Academy or students on any personal device.

Dress Code

It is important that the image projected via the standard of dress of professionals reflects the high expectations of the City Learning Trust. We understand and value the public's perception of our roles as mentors and role models for students.

The Trust values and welcomes the ethnic diversity of its workforce and therefore dress codes will take account of ethnic and religious dress requirements with sensitivity ensuring that employees are free to observe them.

Where there is a clear business case or a health and safety reason then the Academy may introduce appropriate dress codes to suit the services provided, expectation of the Academy and enforce additional dress restrictions or the requirement to wear protective equipment.

Staff need to be mindful that although there is a difference in circumstances, students will always compare what staff are wearing with what they are prohibited from wearing. Staff need to be aware that they are regarded as role models and consistent standards of professional attire help set a purposeful and business-like manner.

Purpose

The purposes of this dress code is to:

- Present a professional and positive image of the school at all times (including external training courses).
- Avoid unintentional injury to staff or students.
- Avoid being offensive to people of different cultures or beliefs.
- Present positive role models for students.
- Ensure that Staff dress is such that it inspires the confidence of parents and the wider community.
- Contribute to high standards of health and safety.

Implementation (Roles and Responsibilities)

All staff - includes temporary staff, visiting staff, work experience placements

All staff are expected to dress in a smart and business-like manner, using their professional judgement. Staff should look clean, tidy and well-groomed and should have a good standard of personal hygiene. Staff appearance should reflect the professional environment in which we work and maintain high standards of modesty, style and taste. For Secondary Academies Jackets should be worn in meetings with any external stakeholders or visitors. It is expected that on all formal events, staff will dress formally and appropriately (for e.g. parent's evenings, INSET and external courses etc.). In secondary academies jackets may be taken off when teaching but, have to be worn when circulating the academy.

Guidance

- Clothing must be professional attire, not casual wear.

- Other support staff and non-teaching staff (e.g. technicians, canteen staff, premises manager, site staff) should dress smartly and appropriately for their role taking into account health and safety issues/the physical nature of their role.
- Hair should be neat and tidy. No extreme hairstyles, patterns or colours are allowed.
- Visible tattoos are discouraged and must be discreet and covered wherever possible.

Clothing should not restrict movement nor should it prevent a task from being undertaken with dignity. Site staff and technical support staff should wear clothing that is commensurate with their jobs, in addition to following the whole school policy. Protective/appropriate clothing and footwear is provided as appropriate by the academy and should be worn as required.

- Plain sports shorts, tracksuit bottoms or sports leggings (not fashion leggings)
- Smart sports t-shirts/ tops (without excessive branding- small logo only)
- Suitable sports trainers
- Sportswear that is excessively branded or includes slogans should not be worn.

Staff should change back into appropriate clothing after teaching PE when feasible, in keeping with the main body of staff for other lessons, parents' evenings, meetings with parents/carers/stakeholders, open days/evenings/ leading assemblies etc.

Restrictions

While staff are encouraged to exercise their own professional judgement on their appearance, there are some items which are deemed unacceptable, these are:

- Jewellery should be discreet with visible piercing restricted to ears. Single nose studs may be worn for reasons of culture or religious observance only. Employees should be mindful of Health & Safety when wearing jewellery.

Where normal, professional dress would be inappropriate

When staff are on school visits or where normal professional dress would be inappropriate, staff should remember that they are still 'on display' and acting as role models and ambassadors for the school. On such occasions the dress code can be relaxed however the following will apply:

- Visible body piercings other than earrings
- Tattoos to be covered

- Clothing that exposes too much flesh
- Clothing which is tight exposing outline of underwear
- Clothes showing offensive slogans or feature designs
- Hijabs that cover the face

The policy is not exhaustive in defining acceptable and unacceptable stands of dress and appearance and staff must use common sense in adhering to the principles underpinning the policy.

Equality and diversity

The City Learning Trust values and recognises the diversity of cultures, religions and disabilities of its employees and will take a sensitive approach when this affects dress requirements. Hijabs worn for religious purposes must not cover the face. Turbans, Kippots and Headscarves are supported on religious grounds but must not compromise health and safety.

Disputes

Staff considered to be in breach of the dress code will be advised by the Line Manager and will be given the opportunity to conform. Disagreements about the appropriateness of specific items of clothing or footwear will be referred to the Senior Leadership Team / Principal/Headteacher who will be the final arbiter on such matters.

Persistent failure to comply with the dress code may result in disciplinary action.

The policy should be read in conjunction with:

- Equal Opportunities policy
- Health and Safety policy
- Educational visits policy
- Staff discipline, conduct and grievance policy

We welcome our duties under the Equality Act 2010 to eliminate discrimination, advance equality of opportunity and foster good relations in relation to age, disability, ethnicity, gender, transgender, maternity, religion and sexual identity.

We welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention of the Rights of the Child, the UN Convention on the Rights of People with Disabilities and the Human Rights Act 1998.

Identity Badges

Employees issued with identity badges should wear them at all times. Where managers decide that it is not practical to wear identity badges then you should have them available for inspection at all times. If you lose your identity badge or entrance fob (if used), please inform a member of the SLT immediately.

Disciplinary Rules

The Trust has a disciplinary procedure.

The disciplinary procedure is concerned with instances of alleged misconduct, either ordinary or gross. It is anticipated that the vast majority of breaches will be of a minor nature and that they can be resolved without recourse to a formal procedure. Some breaches will be more serious or there may be circumstances where there is repetition of a minor breach. In such circumstances the matter will be formally investigated and progressed under the formal procedure.

The Trust also has a separate capability procedure which provides a framework for managers and employees to cope with issues of poor performance. The underlying intention of the Procedure is to give the employees who are falling below the established acceptable standards the opportunity to improve.

Contract of Employment

Your contract of employment is an agreement between the Trust and you which sets out your employment rights, responsibilities and duties and this includes the Code of Conduct.

General Data Protection Regulations 2018

The General Data Protection Regulations 2018 protects personal data which relates to living identifiable individuals and deals with the way in which personal information is collected, held, recorded and used.

It works in two ways:

- It gives you certain rights
- It states that those who record and use personal information must be open about how the information is used.

Freedom of Information Act 2000

The Freedom of Information (FOI) Act (2001) gives significant rights of access to information held by all public authorities.

Social Media

CLT/Academy employees are subject to the procedure outlined below when contributing to social networking sites and when using CLT/Academy ICT hardware and/or the CLT/Academy network.

In addition, when identifying themselves as an employee of CLT, whether using CLT hardware and/or network, or when using personal ICT hardware and/or internet connection, (other than as an incidental mention of place of employment in a personal blog on topics unrelated to CLT) any comment must be identified as personal, and not representative of the view or opinion of CLT.

Only individuals who have agreed authority to speak on behalf of the Trust may comment on social networking sites in respect of CLT.

i. Confidential information:

It is strictly forbidden to publish confidential information about, or in relation to, CLT on company or personal social networking sites or blogs.

Confidential information includes unpublished details of current projects, financial information, Academy material, and student information. If you are in doubt as to whether the information is confidential or not, it should not be published.

ii. Protecting privacy:

- a) Privacy settings on social networking sites that might allow others to post information, or see information that is private or personal, should be set to limit access to trusted parties only. At all times, employees must be mindful of posting information that you would not want the general public to see.
- b) What you publish may be around for a long time, so consider the content carefully and be especially cautious about disclosing personal details in your posts and blogs.

iii. Copyright:

- a) You should never quote more than short excerpts of someone else's work, and always attribute such work to the original author/source. It is good general practice to link to others' work rather than reproduce it.

iv. Honesty, transparency and integrity

- a) It is recommended that you use your real name and be clear who you are when using social media sites.
- b) Do not say anything that is dishonest, untrue, or misleading. If you have a vested interest in something you are discussing, point it out.
- c) If you make an error, be up front about your mistake and correct it quickly. If you choose to modify an earlier post, make it clear that you have done so.

v. Respecting your audience:

- a) The public in general, and CLT employees and customers, reflect a diverse set of customs, values and points of view. Don't be afraid to be yourself, but do so respectfully. This includes not only the obvious (i.e. no ethnic slurs, offensive or defamatory comments, personal insults or obscenities), but also proper consideration of privacy and of topics that may be considered objectionable or inflammatory - such as politics and religion.
- b) Use your best judgment and be sure to make it clear that the views and opinions expressed are yours alone and do not represent the official views of CLT.

vi. Protecting our partners:

- a) Partner Academies or Students should not be cited, or obviously referenced without their prior approval.
- b) Never identify a partner or student by name without permission and never discuss confidential details of partner/supplier engagement.
- c) Staff should not befriend students who are currently at the Academy or the 6th form and should exercise common sense and mature judgments when befriending ex students, taking into account the age, maturity and behaviour whilst they were at academy. Staff should take into account if the ex student has siblings currently at the academy or 6th form and should not befriend if this is the case.

vii. Misrepresentation and disclaimers:

- a) If you see misrepresentations made about CLT you should make your line manager aware at the earliest opportunity.
- b) If you speak about others, make sure what you say is factual and that you do not resort to criticism of that party.
- c) Avoid online arguments. Don't try to settle scores or goad fellow bloggers, competitors or others into inflammatory debates.
- d) Many social media users include a prominent disclaimer saying who they work for, but that anything that they publish is their personal opinion, and not necessarily the opinion of the company they work for (i.e. CLT).

viii. Use at work:

- a) Social networking, including blogging, must not interfere with your responsibilities and tasks during working hours.
- b) It is permitted to use social networking sites only in designated break and lunch times, and in accordance with this procedure

ix. Disciplinary action:

- a) Using your blog or social media micro-site to publicly criticise, spread false rumours about CLT, our partners, or your co-workers may lead to disciplinary and/or legal action.
- b) Violation of the use at work section of this procedure may result in disciplinary action, up to and including termination of an employee's contract of employment.

This interface consists of a number of levels of security including a firewall, an internet proxy server and computer virus protection. This configuration ensures the security of the internal network whilst optimising the performance of all www and ftp traffic. All authorised users will be given an email address that enable the sending and receiving of external email.

All internet activity is logged in detail and all incoming and outgoing email is copied and stored prior to delivery in or out.

The internet provides the trust with the means to send information to, receive information from and access resources outside the company's network. As with all internal email messages, internet messages can be forwarded without the knowledge or consent of the original author. Users, therefore must exert caution in the transmission of messages outside the trust and must comply with any appropriate legislative requirements.

- Any such use is subject to the provisions of this policy
- File attachments to such messages are strictly prohibited without prior agreement
- Personal use of the email/internet resources is a privilege, not a right and as such its use must be limited to before and after employees' regularly scheduled working hours

i. Prohibited Purposes

Personal use within working hours must be limited and personal use that creates a direct cost for the trust is prohibited.

Use at any time for personal monetary gain or for commercial purposes that are not directly related to the trust.

ii. Other Prohibited Uses

Other prohibited uses of email/internet resources include but are not limited to:

- Inclusion of the work of others into electronic communications in violation of copyright laws
- Use of internet to harass or intimidate others, or to interfere with the ability of others to conduct CLT business

- 'Snooping' – obtaining access to the files or electronic mail of others for the purpose of satisfying idle curiosity with no substantial purpose

The Trust reserves the right to monitor internet access and email usage as a routine matter to the extent permitted by law. To this end, all in bound and out bound internet activity, including emails and their contents, are logged and regularly reported on. When using internet services, as provided by the trust, you agree to the monitoring and logging of all internet communications.

Conduct Outside of Work

Staff must not engage in conduct outside work which could damage the reputation and standing of the Academy or the member of staff's own reputation or the reputation of other members of the Academy community.

Staff should be careful to ensure that nothing they say or do brings the Academy's name into disrepute. Gossip in local communities can damage a reputation that has taken a considerable amount of time to establish.
